Subject: Sanction of Seed Money for the Project Titled – Enhancing Aerial Surveillance Outcomes Through Edge Deployed Rotation Aware AI Compared to Standard Models

Dear Sir/Madam,

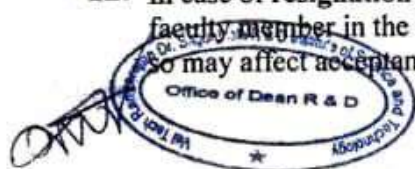

This is with reference to your proposal submitted under the Seed Fund Scheme, which has been approved by the **Vel Tech Seed Fund Committee**. The project is sanctioned for a total financial assistance of **Rs. 2,00,000-** (Rupees Two Laksh Only) for a **maximum duration of one year**. The approved heads of expenditure under Non-Recurring and Recurring categories are detailed below:

S. No	Particulars	Total Cost (Rs.2,00,000)
1	Non-Recurring	
	Equipment	1,00,000/-
2	Recurring	
	Consumables	30,000/-
	Contingency	30,000/-
	Travel	10,000/-
	Others (if any)	30,000/-
	Total	2,00,000/-

Terms and Conditions:

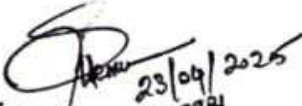

1. The grant is subject to the **Seed Grant Guidelines** issued by the Office of Research & Development.
2. The **project commencement** date will be considered from the date of acceptance by the PI/Co-PI and the release of the first installment.
3. **Fund release** is subject to acceptance and further installments are based on performance review by the Advisory Committee.
4. The PI/Co-PI must submit:
 - **Utilization Certificate and Statement of Expenditure** (as per DST format) after each financial release.
 - A **progress report** after 6 months.
 - A **final project report** upon project completion.
5. **Mandatory outcomes:**
 - At least **2 publications** in **SCI/SCIE indexed journals**.
 - **One proposal submission** to a central government funding agency.
 - **Patent filing** is optional but encouraged.
6. Project extension (up to 3 months) is subject to performance review and committee recommendation.
7. **Procurement** must adhere to Vel Tech's procurement policy.
8. **Asset/Stock Register** must be maintained for consumables, contingency & Equipment's items.
9. **Misuse of funds** will result in recovery of the full amount with **12% interest per annum**.
10. All bills, reports, and project-related documents must be maintained in **separate files** by the PI/Co-PI.
11. Failure to achieve expected outcomes may lead to return of the entire grant.
12. In case of **resignation** of the PI/Co-PI, the project must be officially handed over to another faculty member in the department, with approval from HoD and Dean R&D. Failure to do so may affect acceptance of resignation.

13. Fund utilization must be completed within the financial year.

Acknowledgement and Acceptance

We hereby accept the terms and conditions mentioned above.
